Professional Summary: A motivated third-year Bachelor of Computer Applications (BCA) student with hands-on internship experience at GNX Digital Solutions Pvt. Ltd. Proficient in web technologies including HTML, CSS, PHP, and MySQL. Eager to apply technical and problem-solving skills to contribute to a dynamic organization's success.

Experience

Intern, Digital Delivery Department | GNX Digital Solutions Pvt. Ltd. *(July 2025 – August 2025)*

- **Developed and tested 5+ key front-end components** for a new candidate portal using React and Next.js, improving user interactivity.
 - **Assisted in debugging the application's back-end**, identifying and resolving 3 critical bugs with Python scripts, which increased application stability.
 - **Utilized Python libraries like Pandas** to clean and process project data, preparing it for analysis and reporting by the senior team.
-

Education

- **Kristu Jyoti College Of Management And Technology** – M G University (2023 – 2026)
 - Bachelor of Computer Applications (BCA), 3rd Year
 - CGPA: 7.0
-

Projects

Order Tracking System | *Next.js, MongoDB, Material UI (MUI)* / [Create Next App](#)

- Developed a logistics-based web application featuring real-time order tracking and status management.

- Implemented **Next.js API routes** for seamless back-end communication and data fetching.
- Designed a responsive, professional dashboard using **Material UI** to ensure a high-quality user experience.

RawFit – Fitness Assistant | *HTML, Tailwind CSS, JavaScript, PHP/*

<https://github.com/Aswadev123/rawfit>

- Built a comprehensive fitness assistant web app to help users track workouts and health metrics.
 - Utilized **Tailwind CSS** for a modern, mobile-first responsive design.
 - Managed data persistence and user interactions using **PHP** and **JavaScript** for a dynamic front-end experience.
-

Technical Skills

- Programming Languages: C, C++
 - Web Technologies: HTML, CSS, PHP and JavaScript (Basics)
 - JavaScript & Frameworks (Basics): Node.js, NestJS, Next.js, React
 - Databases (Basics): MySQL, MongoDB
 - UI & Styling Frameworks: Tailwind CSS, Bootstrap, Material UI (MUI)
 - Tools & Platforms: VS Code, XAMPP
 - Operating Systems: Windows, Linux (Basics)
-

Research Papers

- Factors Contributing to Entrepreneurial Success in Startup Ecosystems
 - The Transformative Power of AI in Football and beyond
