SUMMARY

Motivated Bachelor of Computer Applications (BCA) graduate with hands-on internship experience at GNX Digital Solutions Pvt. Ltd.. Skilled in web development technologies including HTML, CSS, PHP, MySQL, and modern programming concepts. Passionate about building efficient and user-friendly applications while applying strong problem-solving and analytical skills. Experienced in working on real-world projects during internship training and collaborating within team environments. Eager to contribute technical expertise, adaptability, and a continuous learning mindset to a dynamic organization while growing as a software professional.

WORK EXPERIENCE

Intern, Digital Delivery Department

07/2025 – 08/2025

GNX Digital Solutions Pvt. Ltd

- Developed and tested 5+ key front-end components for a new candidate portal using React and Next.js, improving user interactivity.
- Assisted in debugging the application's back-end, identifying and resolving 3 critical bugs with Python scripts, which increased application stability.
- Utilized Python libraries like Pandas to clean and process project data, preparing it for analysis and reporting by the senior team.

SKILLS

Programming Languages — C, C++, Python, JavaScript (Basics), PHP

Web Technologies — HTML, CSS, JavaScript, PHP

Frameworks & Libraries — React, Next.js, Node.js, NestJS, Express.js

UI & Styling Frameworks — Tailwind CSS, Bootstrap, Material UI (MUI)

Tools & Platforms — VS Code, XAMPP, Git (Basics), Copilot, Codex, Claude

Development Skills — Responsive Web Design, REST API Basics, Frontend & Backend Development Basics, Database Management

Additional Skills — MS Office (Word, Excel), Google Research, Email Management, Basic Customer Support, AI Tools (GitHub Copilot, ChatGPT)

Soft Skills — Problem Solving, Communication, Teamwork, Adaptability, Quick Learning

PROJECTS

RawFit – Fitness Assistant

HTML, Tailwind CSS, JavaScript, PHP/ <https://github.com/Aswadev123/rawfit>

- Built a comprehensive fitness assistant web app to help users track workouts and health metrics.
- Utilized Tailwind CSS for a modern, mobile-first responsive design.
- Managed data persistence and user interactions using PHP and JavaScript for a dynamic front-end experience.

MedSure

Healthcare Management Application | React, Next.js, NestJS, MySQL/MongoDB

- Developed a healthcare management web application focused on improving patient and medical service management. ✕ Built responsive and user-friendly interfaces using modern frontend technologies and UI frameworks.
- Implemented backend APIs, authentication, and database integration for secure data handling.
- Worked on features such as appointment management, user profiles, medical records, and dashboard functionalities.
- Collaborated on full-stack development and optimized application performance and usability.

EDUCATION

Higher Secondary Education — Science Stream

2021 – 2023

Bachelor of Computer Applications (BCA)

2023 – 2026

Kristu Jyoti College Of Management And Technology – Mahatma Gandhi University

- Graduated with a Bachelor of Computer Applications (BCA) with a CGPA of 7.0
- Built strong foundations in programming, web development, databases, and software engineering concepts
- Worked on academic and personal projects using HTML, CSS, JavaScript, PHP, React, Next.js, and MySQL
- Gained practical industry exposure through internship experience at GNX Digital Solutions Pvt. Ltd.
- Developed problem-solving, teamwork, and technical skills through project-based learning and collaborative development activities
